We are much interested in their products, and in normal condition, we could buy from them 300 tons per month. Would you please give us the addresses of the above-mentioned companies or any other manufacturers of on-trawler fishmeal who you would like to recommend to us. It will also be a fine if you refer this letter to them and ask them to contact us directly.

The undersigned will visit your country on about the end of February. We hope we can get in touch with the potential suppliers before that time.

Thank you very much in advance for your kind attention to the matter.

Sincerely yours,
STCHIANG INTERNATIONAL CORP.
