Sir,

On behalf of the Spanish Deep Sea Trawling Association (ANAMER), I have the privilege of conveying our pleasure and our congratulations for your appointment as Minister of Environment Affairs and Tourism.

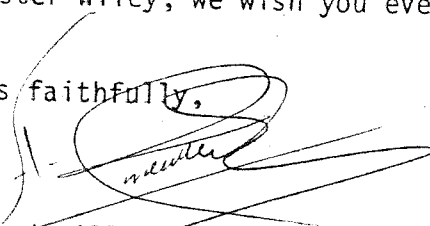

It is a daunting task indeed to administer your present Departments under the auspices of the new dispensation in South Africa.

Your skills and experience will be very valuable to this country.

We are also privileged to count on your involvement and on your advise in decisions related to the South African Fisheries Administration that also falls under your control.

Minister Wiley, we wish you every success.

Yours faithfully,

  
A. Tordesillas
